She Is Gone

*You can shed tears that she is gone
Or you can smile because she has lived*

*You can close your eyes and pray that she will come back
Or you can open your eyes and see all that she has left*

*Your heart can be empty because you can't see her
Or you can be full of the love that you shared*

*You can turn your back on tomorrow and live yesterday
Or you can be happy for tomorrow because of yesterday*

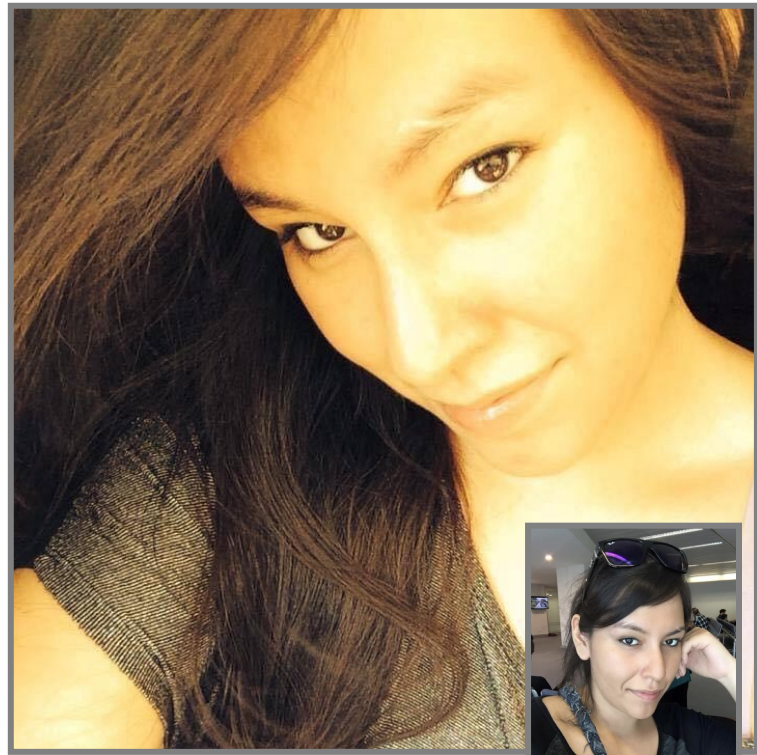

*You can remember her and only that she is gone
Or you can cherish her memory and let it live on*

*You can cry and close your mind,
be empty and turn your back
Or you can do what she would want:
smile, open your eyes, love and go on.*
