One night a man had a dream. He dreamed
he was walking along the beach with the Lord.
Across the sky flashed scenes from his life.
For each scene, he noticed two sets of footprints
in the sand; one belonging to him, *and the other*
to the Lord.

When the last scene of his life flashed before him,
he looked back at *the footprints in the sand.*
He noticed that many times along the path of his
life there was only one set of footprints.
He also noticed that it happened at the very
lowest and saddest times *of his life.*

This really bothered him and he question the
Lord about it. "Lord, you said that once I decided
to follow you, you'd walk with me all the way.
But, I have noticed that during the most troublesome
times in my life, there is only one set of footprints.
I don't understand why when I needed you most
you would leave me.

The Lord replied. "My precious, precious child,
I love you and would never leave you.
During your times of trial and suffering,
when you see only one set of footprints,
it was then that I carried you.
