

***I'm Free***

*Don't grieve for me, for now I'm free  
I'm following the path God laid for me.  
I took His hand when I heard Him call  
I turned my back and left it all  
I could not stay another day  
To laugh, to love, to work or play  
Tasks left undone must stay that way  
I found that peace at the close of the day  
If my parting has left a void  
Then fill it with remembered joy  
A friendship shared, a laugh, a kiss  
Ah, yes, these things I too will miss  
Be not burdened with times of sorrow  
I wish for you the sunshine of tomorrow  
My life has been full, I've savored much  
Good friends, good times,  
a loved one's touch  
Perhaps my time seemed all too brief  
Don't lengthen it now with undue grief  
Lift up your heart and share with me  
God wanted me now, He set me free:*
